

Purchase License

Dear Customer,

Congratulations on the purchase of

Shoppr - E-commerce app starter (Ionic 4)

You have purchased the 'BASIC LICENSE' of the app starter. You can use this app source for only personal purpose and not allowed to redistribute the app to others.

With this license, you get

- The source code
- Installation support from our side. In other words, we'll make sure the app runs fine on your development environment.

Outside the scope of this contract, you can contact our studio for further development of the app.

For tech support, please keep your order ID and other details handy for verification of license. Contact us at admin@enappd.com for further queries or if you want support on further development of this app.

Thanks,

Abhijeet Rathore

Product Manager
